

PRINCE2™

FOUNDATION & PRACTITIONER COURSES

Gain an internationally recognised qualification with our **PRINCE2™** Foundation & Practitioner project management courses.

PRINCE2™ is an end-to-end project governance and management process that's scalable to meet project and organisation objectives. Our in-class courses are ideal for new to career through to career advancers and organisations wanting to manage projects, operations, cost and risk.

Build a solid understanding of how to apply the **PRINCE2™** processes and methodology – from initiating a project, to managing risk and cost, and ongoing governance to achieve better outcomes.
